**Subject:** R8 WQS and M&A meeting 11/5-11/7: Final Agenda

Hello all

Attached is the final agenda for the R8 WQS and M&A meeting in Denver next week. We will not be providing paper copies of the agenda at the meeting so please download the agenda or bring a paper copy with you.

As I mentioned in my email yesterday, we are encouraging meeting participants to attend the HECD ammonia webcast that is scheduled for this Wednesday October 30, 2013 from 11-12:30 MT. Webcast details and online registration is available at:  
<http://mp118885.cdn.mediaplatform.com/118885/ml/mp/4000/5345/5417/29061/Lobby/default.htm>.

A conference line will be available for people that cannot travel to the meeting, but are interested in participating in certain presentations/discussions. Please **email me if you are interested in participating via phone and identify the session(s) would like to have the conference line available**. I will only set up a conference line if I receive an email request.

Conference line: 866-299-9141. Participant code for the group discussions and WQS breakouts : 84734399. M&A breakouts participant code: 85790481

If you will be attending the meeting in person and have not made your hotel reservation, I have heard that the Oxford Hotel is no longer offering a government rate room. Other options in downtown Denver that have offered government rate rooms in the past include the Curtis (<http://www.thecurtis.com/>) and Hotel Monaco (<http://www.monaco-denver.com/>), however I am not sure if they have rooms available next week. Please feel free to call me for other hotel ideas if you are having problems finding a room.

I look forward to seeing everyone next week!
